

LTI – Long-Term Investors

presents

Dr. Attilio Meucci, founder of ARPM, introducing:
“Advanced Risk and Portfolio Management”
(ARPM) Bootcamp - <https://www.arpm.co/bootcamp/>

The Advanced Risk and Portfolio Management (ARPM) Bootcamp® is a one-week quantitative finance course taught by Attilio Meucci, next August 2018 at New York University.

ARPM Bootcamp® provides broad picture and in-depth understanding of quantitative risk portfolio management.

All students and professors of the School of Management and Economics are invited to attend, especially those of Quantitative Finance and Insurance. Students have access to the August 2018 Bootcamp at a reduced rate.

Wednesday, May 2nd, 2018 – 16:00 p.m.
