## 7<sup>th</sup> Asset Pricing Conference by LTI@UniTo

This one-day conference on Tuesday, October 8<sup>th</sup>, 2024 hosted by the Collegio Carlo Alberto aims to promote the highest level and up-to-date research in asset pricing within the European academic community. Speakers and discussants are selected among the most innovative junior researchers and established scholars.

### Call for Job Market Paper

One presentation slot is devoted to the PhD candidate for the best paper in Asset Pricing. The winner of this slot will receive a **discussion of Fabio Trojani** (Univ. of Geneva, Swiss Finance Institute, and Univ. of Torino) during the conference and will be awarded a **prize of €500**. PhD students in the final stage of their studies are invited to apply by sending their CV and paper to [matthijs.breugem@carloalberto.org](mailto:matthijs.breugem@carloalberto.org) by **August 25<sup>th</sup>**. Travel is reimbursed up to €300 and accommodation is provided. The conference takes place on-site.

Information regarding past conferences (as well as the program as the 2024 conference program once ready) can be found at the following link:
